Sustainable Jobs = Positive Communities

The Elizabeth Development Company, in partnership with Union County Workforce Investment Board (WIB), Elizabethport Presbyterian Center and Retail Skills Center of Union County College, will provide supportive services, pre-job training and on-the-job training opportunities for qualified Union County residents. This program is designed to meet the needs of both job seekers and employers. If eligible, you would be hired by a private or public employer and receive training that provides knowledge and skills essential to perform the job adequately. If you make satisfactory progress during the training period, you will be retained by the employer as a regular employee.
